

Essential Skills Training

Thursday, February 6, 2014

8:30 am – 3:00 pm

Downtown, Room 240

Friday, February 7, 2014

8:30 am – 3:00 pm

Broadway, Room 1228 (Building B)

Speakers: Krista Medhurst, *Business Leader, TOWES Department, Bow Valley College*
Laurel Madro, *Program Coordinator at Bow Valley College, CRIEC Mentoring Initiative*
Partner at CRIEC

Learner success is closely tied with the ability to think critically, solve problems, communicate effectively, find and use information and adapt to change. These skills help individuals acquire technical knowledge associated with their field of study and become successful when they enter the labour market.

This interactive workshop will explore how Essential Skills influence learner success. Workshop participants will develop some practical strategies for improving the skills of their learners.

Please register for a session at: http://cid.vcc.ca/Web-Forms/cid_workshops_signup.php

Coffee, Muffins and Lunch will be provided.

For dates and topics of other CID workshops please visit <http://cid.vcc.ca> and click the “Events” tab.
