

# Blended Learning

**Thursday, February 16, 2012**

**11:50 am to 12:40 pm**

**Room 1227, Broadway, Building B**

**Facilitator: Robin Popow, M.Ed.,**

**Instructional Associate**

**Centre for Instructional Development, VCC**

In recent years blended learning has led to an evolution of the instructional model providing new opportunities for program planning and curriculum design.

In this session you will explore new possibilities for the use of learning technologies (i.e., Moodle, Mobile devices, etc.) to blend face-to-face and online interaction to increase learning. An overview of leading literature as well as local and global case studies will provide for an insightful and inspiring experience.

**Attendance by Drop-in.** Don't forget to bring your lunch!
