Tuesday December 3, 2013

11:50 am to 12:40 pm

Room 2215, Broadway, Building B

Facilitator: Doug Mauger

School of Instructor Education

As instructors we make all sorts of statements in class. This lunch and learn workshop will look at these various statements and why we make them. Some of these statements are intended to motivate but actually they set the student and instructor up for failure. Curious about these statements that we as educators make in class? Then you will just have to come to the lunch and learn. Be prepared for a good time of laughing and learning at oneself.

Attendance by registration online: http://cid.vcc.ca/Web-Forms/cid_workshops_signup.php

Don't forget to bring your lunch!
