**Wednesday, February 22, 2012**

**11:50 am to 12:40 pm**

**Room 5025, Broadway Building A**

**Facilitator: Doug Mauger, Education and Training Consultant  
School of Instructor Education  
Vancouver Community College**

Instructor Jones teaches a course at the local college. She feels that students maximize their learning in the course when they take an active part in class discussions, raise questions and participate in small group work.

Jones wants to base a part (15%) of the final course grade on the level of participation that each student exhibits in class.

Should Jones do this? Why or Why not?

Come to the workshop and help Jones determine if this is a wise choice.

**Attendance by Drop-in.** Don't forget to bring your lunch!
