

# Moodle 2 Upgrade Training

**On July 1, 2012 VCC will start the switchover from Moodle 1.9 to Moodle 2.2. The CID is offering hands-on training sessions to instructors and staff who are not able to attend a departmental training session.**

The sessions are intended for current Moodle users\* and will provide an overview of what's new and what's different in Moodle navigation, resources and activities. Banner/Moodle enrolment and course archiving processes will also be covered.
