# Self Assessment

**11:50 am to 12:40 pm**

**Room 205B, Downtown Campus**

**Facilitator: Doug Mauger, Education and Training Consultant**

**School of Instructor Education**

**Vancouver Community College**

Self assessment is a powerful way to engage the student in their learning process; it is NOT shifting the workload. Can students fairly assess their own learning? How much of the final student marks should reflect self assessment? What prevents us as instructors or as institutions from getting students to self assess their own work? This workshop will answer these questions and look at how you can successfully integrate self assessment into your evaluation practices.

**Attendance by Drop-in. Don't forget to bring your lunch!**
